# WHY ABS?

1

ASPIRE Business School (ABS) is a young, ambitious institution with a strong international focus aiming to bring about a paradigm shift in education leveraging largely on Blended learning programs in order to equip students and professional alike for the challenges ahead in an ever volatile global business landscape.

3

ABS offers a diverse program portfolio covering a wide range of management and entrepreneurial subjects looking to bring about maximum value to students and professionals through on-campus & off-campus learning, blending smoothly both theory with practice, so that on graduating, the students are ready and equipped to immerse themselves directly in the buoyant markets internationally.

2

ABS is based in Barcelona, a vibrant and cosmopolitan city that currently stands up as a major startup hub in the European digital ecosystem and a point of reference in terms of public development, capacity to attract international investment and global talent.

4

With a robust management and an extended local and national network, ASPIRE is seeking to consolidate its place among benchmark business schools in EU.

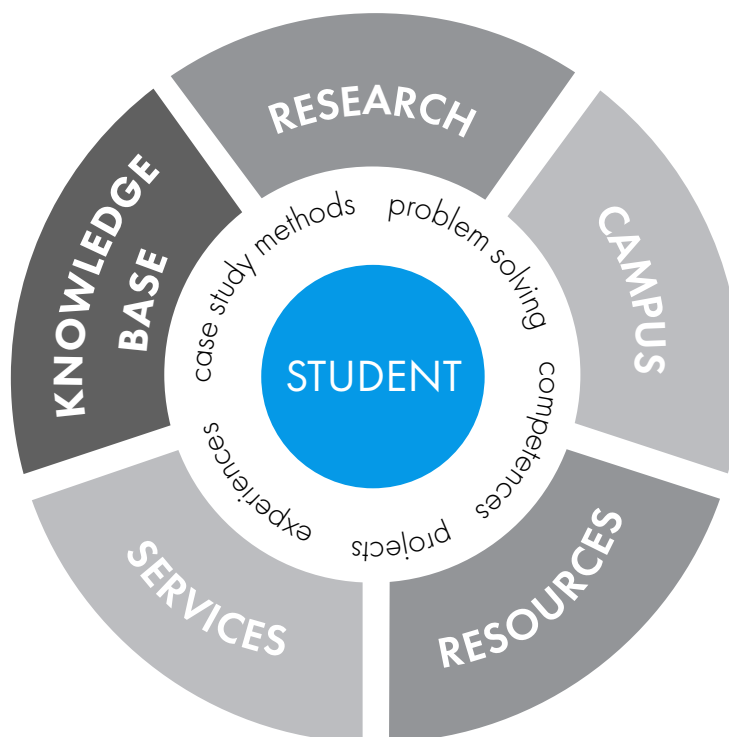

# ACCREDITATIONS

# HOW DO STUDENTS LEARN AT ABS, BARCELONA?

*Our goal is to train professionals equipped to respond to the needs that the modern and intercultural world demands*

**ABS focuses on providing well-balanced competences to equip future leaders with the necessary skills, attitudes and knowledge.**

The main teaching and learning methods includes virtual classroom lectures, webinars, tutorials, practical learning, field trips, projects, and learning through research.

The academic experience involves a greater emphasis on self-directed study than at an undergraduate level would. You'll be expected to think and study independently, conduct more extensive background reading and bring your ideas to webinars and tutorials for discussion and forums. Students are then required upon completion, upload a presentation of the developed research assignment on which a thesis is prepared and defended.
